

Ko au tēnei

This is me, Ms Mowat!

Kia ora - I wanted to introduce myself so you know who I am, a bit about me and some of the great ways I'll be working with your tamaiti (child) this year.

Outside of school, I love Going for walks and cafe visits with friends.

I love teaching because Tamariki rock and keep me energised.

I'm looking forward to this year together in class 3L because I know we'll have fun together.

At the beginning of each year we set themes to help guide our year and learn about meaningful ideas, concepts and interesting fun facts!

This year our theme is Caring for each other and our community.

I hope to see you throughout the year, but please also feel free to reach out to me by (email, school app, or classroom dojo).

I'd appreciate it if you could share with me:

- One thing that's important to you as whānau _____.
- What are your tamaiti (child's) best strengths? _____.
- Anything else you'd like me to know. _____.

And what's the best way for me to communicate with you?
